Madam,

The TESDA<sup>is</sup> in the process of preparing action plan and plan of activities for the last quarter of 2017 and for calendar year 2018 which includes Competency Assessment of Senior High School students.

In line with this, may we request for a list of Grades 11 & 12 under the Tech-Voc Track both public and private who may undergo Competency Assessment.

A sample form is attached which entails the data needed in the preparation of action plan specifically for Competency Assessment.

Thank you very much.

Very truly yours,

  
DEMETRIO P. ANDUYAN JR. Ph.D  
Provincial Director
