**SUBJECT: DICT CyberSecurity Awareness Caravan Invitation**

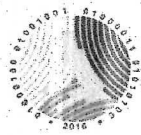

**DATE: January 24, 2018**

The Department of Information and Communications Technology will be holding a **CyberSecurity Awareness Caravan** on **January 30, 2018, from 8:00 AM to 3:00 PM** at the Catanduanes State University. This caravan aims to raise awareness on the importance of Cybersecurity and to help educate, empower and protect the individuals in cyberspace.

In line with this, interested **Senior High School Students** are encouraged to attend the said caravan and are required to register on this link <https://goo.gl/BVJrBh> until **January 26, 2018**. Registration is free and their target participants is 500 students.

For further details, please refer to the attached detailed information or email at [christine.pre@dict.gov.ph](mailto:christine.pre@dict.gov.ph).

For information and guidance.

## CYBERSECURITY CARAVAN AND ACADEME FORUM

### Background

The Department of Information and Communications Technology (DICT) is mandated to ensure the rights of individuals to privacy and confidentiality of their personal information; ensure the security of critical ICT infrastructure including information assets of the government, individuals, and businesses; and provide oversight over agencies governing and regulating the ICT sector and ensure consumer protection and welfare, data privacy and security, foster competition, and the growth of the ICT sector. The crafting of the National Cybersecurity Plan 2022 (NCSP 2022) is a vital tool in fulfilling this mandate.

The 4<sup>th</sup> Key Imperative under the NCSP 2022 is the protection of individuals in cyberspace and part of this is heightening the awareness of Internet users on the importance of CyberSecurity. The CyberSecurity Caravan's objective is anchored on this rationale.

### Objective

This Caravan aims to educate and develop the awareness of students, and even teachers, on Cybersecurity and integration of Cybersecurity Curriculum to the Philippine Education.

### Cybersecurity Caravan

It will raise awareness on the importance of Cybersecurity and will help to educate, empower, and protect the individuals in Information security.

**Target Audience:** Senior High school students and College Students

**Program Proper:** 8am – 3pm

### Content and Scope

- Data Privacy Protection
- Fighting Online Sexual Exploitation of Children (OSEC): "Whole of Society Approach"
- Cyberbullying: Addressing the root cause
- Privacy and Security: Norms and Development
- Cybercrime Awareness
- Cybersecurity: A view from the front lines
