SOCORRO V. DELA ROSA, CESO VI
Schools Division Superintendent
Department of Education
Division of Catanduanes

Dear Madam Dela Rosa;

Greetings!

The Department of Information and Communications Technology, in partnership with Qbo Philippines will be conducting "DICT Startup Basiqs", a workshop about "startups" or tech entrepreneurship. The workshop will discuss various ways to identify viable products and business services (Lean Canvas and Business Model methodology). This event is open to all who are interested in these topics including students, professors, professionals, and entrepreneurs. It will be held on June 21, at Casa Blanca Convention Hall, Legazpi City, Albay.

Startup Basiqs is designed to build awareness and empower the students and young entrepreneurs to help bring their ideas to reality. The participants will undergo a step-by-step workshop where they will identify problems in their local community and then try validating their proposed solution.

This workshop is free to all but we have limited slots. To pre-register, please visit this link: <http://bit.ly/StartupBasiQsBicol>

We truly hope you can join us in this event. Should you require further information, please contact Norly A. Tabo or 09192900536. The program has been attached for your convenience.

Thank you very much.

Very truly yours,

VICENTE C. VARGAS
Asst. Regional Director
DICT Luzon Cluster 3
