Division Memorandum No. 192

To: Public Schools District Supervisors
   Public Secondary School Heads
   Public Elementary School Heads
   All Public Elementary and Secondary School DRRM Coordinators
   All Others Concerned

From: Socorro V. dela Rosa, CESO V
   Schools Division Superintendent

Subject: Preparedness Measures for the Rainy Season

Date: July 1, 2019

1. A Press Release dated June 14, 2019 was released by PAGASA stated that the occurrence of scattered to at times widespread rainfall associated with the Southwest Monsoon during the past few days as observed by most PAGASA stations in the western section of the country confirms the onset of the rainy season which may bring widespread rain showers all throughout the country.

2. Relative to this and to ensure the school preparedness and safety of all learners and school personnel, this office hereby reiterates the observance of DepEd Memorandum No. 108, s. 2016 "Preparedness Measures for the Rainy Season".

3. For immediate and wide dissemination.
DepEd MEMORANDUM
No. 108, s. 2016

PREPAREDNESS MEASURES FOR THE RAINY SEASON

To: Undersecretaries
    Assistant Secretaries
    Bureau and Service Directors
    Regional Directors
    Schools Division Superintendents
    Public and Private Elementary and Secondary Schools Heads
    All Others Concerned

1. The Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAG-ASA) released a statement indicating that the onset of the rainy season associated with the Southwest Monsoon (locally known as the Habagat) is now in progress. Meanwhile, weak El Niño condition is present in the Tropical Pacific and is expected to end around the month of July though effects will be lingering, while La Niña conditions are favored to follow during the second half of 2016.

2. With this, the Department of Education (DepEd) enjoins all schools and field offices to observe Preparedness Measures for the Rainy Season. This is to ensure:
   a. increased preparedness and safety of all school personnel and learners; and
   b. safety of school properties, learning materials and vital school records from any possible occurrence of hazards to enable learners’ continued access to education.

3. All staff of schools and offices are advised to do the following:
   a. Ensure that school buildings can withstand heavy rain and strong winds. Anchor the facilities built at ground level with guy wires to strengthen the stability of the structure;
   b. Identify a storage area for safekeeping of learning materials, teachers’ manuals, vital records and equipment (fax, laptops, computers, photocopiers, TVs, VCRs, among other machines), preferably on an elevated room to ensure protection from rain or flood;
   c. Turn off and unplug electrical equipment and appliances when not in use;
   d. Equip school with first aid kits, flashlights, megaphones, and other necessary supplies that may be needed in times of emergencies. Ensure that these items can be easily located and accessed;
   e. Prepare the classrooms for possible use as evacuation centers and ensure that the staff-in-charge of the keys are accessible;
   f. Regularly conduct school disaster response-drills or simulations;
   g. Post emergency hotline numbers in classrooms and offices;
   h. Update database of student and their family contact details; and
   i. Prepare contingency plan.
For the DepEd personnel and learners:

a. Educate personnel and learners about weather disturbances, including typhoon signals, rainfall warnings, and possible effects and measures to undertake, using the Department of Science and Technology (DOST) and PAG-ASA website;

b. Educate school children on preparedness for tropical cyclones, floods, and other related hazards; and

c. Educate school children and their parents about health related effects resulting from the rainy season.

4. All are advised to observe strict compliance of DepEd Order (DO) No. 43, s. 2012 entitled Guidelines on the Implementation of Executive Order No. 66, s. 2012 (Prescribing Rules on the Cancellation of Classes and Work in Governance Offices Due to Typhoons, Flooding, Other Weather Disturbances and Calamities).

5. All schools are encouraged to involve the students, their families and communities in preparing for disasters, for this is an effective method of raising their awareness and action about risk education.

6. All DRRM coordinators should maintain an open communication with school officials for any needed assistance. Immediate coordination and reporting of any untoward incident should be observed to provide timely and necessary support.

7. This Memorandum supports DO 83, s. 2011 entitled Disaster Preparedness Measures for Schools, DO 43, 2012 entitled Guidelines on the Implementation of Executive Order No. 66, s. 2012 (Prescribing Rules on the Cancellation of Classes and Work in Government Offices Due to Typhoons, Flooding, Other Weather Disturbances and Calamities) and DM 35, s. 2016 entitled Implementing Brigada Eskwela 2016 which seek to mainstream the implementation of DRRM in the systems and processes of the Department at all levels.

8. Immediate dissemination of this Memorandum is desired.
