To: Assistant Schools Division Superintendent  
Chief Education Supervisors  
Education Program Supervisors  
Public Schools District Supervisors  
Public Elementary & Secondary School Heads  
All Others Concerned

1. In support of the implementation of the MATATAG Curriculum for EPP and TLE, and the strengthened Technical-Vocational Education under the TVL Track, this Office announces the implementation of the **School-Based Festival of Talents “TECHNOLYMPICS”** in all public elementary and secondary schools offering EPP, TLE, and TVL, starting in **School Year 2026–2027**.
2. The Technolympics aims to:
  - a. provide learners with authentic, performance-based opportunities to showcase their skills, creativity, and technical competence. It shall highlight students’ outputs, innovations, and practical performances as concrete evidence of learning;
  - b. Enhance skills and values through showing and learning from others’ work;
  - c. Appreciate the importance of skills development programs for lifelong learning.
3. The Technolympics shall involve learners and teachers from the Elementary level under EPP (Grades 4–6), Junior High School under TLE, and Senior High School under the TechPro / TVL Track, covering all specializations offered in the school, thereby ensuring inclusive participation across key areas of technical and livelihood education.
4. The activity shall feature competitions, live demonstrations, product exhibits, and skills-based challenges, all aligned with curriculum competencies. Specific
