1. Under Republic Act No. 10743 and UNESCO's declaration that October 5 of every year is National Teachers' Month and World Teachers' Day. This is the special day to honour those who are in the teaching profession, acknowledge and emphasize the crucial role, loyal service, and dedicated commitment of teachers in developing globally-minded citizens, nurturing families, strengthening communities and building the nation.
2. Relative to this, the month-long celebration will start with the **Kick-off activity on September 5, 2023** by school or district. Schools/districts are encouraged to design district/school-based activities and plan for its implementation relative to the conduct of National Teachers' Month (NTM) and the World Teachers' Day (WTD) celebrations, organize a school NTM and WTD committee, secure the support of the school community and school-based organizations for its implementation. However, schools and learning centers must ensure safety and wellness of everyone while doing the activity.
