Greetings!

The **UP Cell Biological Society (UP Cells)** is an organization composed of Biology students at the University of the Philippines Los Baños. Since its founding in 1990, UP Cells has served as a nurturing ground for dedicated and talented young scholars.

Upholding its core principles, the organization proudly hosts the annual **SIHAY National Biology Olympiad (SIHAY NBO)**, a prestigious event that unites high school students from across the nation through a shared passion for Biology. As such, we are excited to announce the triumphant return of SIHAY for its **27th year**. This year's event will be held at the **University of the Philippines Los Baños**, with the theme **"Blazing New Trails, Igniting Cellular Discoveries Through Thermal Biophysics"**. Kindly disregard the previous email as there have been revisions to the dates. The event is now scheduled for **March 22 - 23, 2025**.

In preparation for this much-anticipated gathering, we humbly seek your support in promoting Biology to a broader audience by endorsing our event. Kindly refer to the attached files for further details. Upon approval, we respectfully request a **copy of your endorsement letter from your esteemed office**.

We look forward to your favorable response, as we believe your institution's expertise and support are vital to the success of this event.

23 January 2025

Dearest Mr./Ms./Mrs. FERRO:

Greetings of wisdom through science!

The **UP Cell Biological Society (UP Cells)** is the largest student-led academic organization in the **Institute of Biological Sciences, University of the Philippines Los Baños**. The UP Cells is recognized by the National Youth Commission, Office of Student Affairs-UPLB, and the Provincial Development Affairs Office of Laguna as an organization that promotes awareness and enthusiasm for Cell Biology among students and community members. In addition, the organization is an affiliate of the association, **Biology Majors Alliance of the Philippines**, which unites more than 4000 biology majors across the country.

Following the success of **SIHAY NBO**, the organization will be conducting **SIHAY 2025** for its 27th year. "**Blazing New Trails: Igniting Cellular Discoveries Through Thermal Biophysics**" is set to transform from the virtual realm to an on-ground event, providing an immersive experience for participants and enthusiasts alike.

SIHAY NBO 2025 will stand as a beacon of resilience and commitment to fostering a deeper appreciation of Biology.

This nationwide event is scheduled to transpire over **two (2) action-packed days**, offering a diverse array of activities aimed at stimulating and enthralling students in the captivating world of Biology. It will consist of activities like **bio-techniques, on-the-spot poster making contest, amazing race, science feature writing contest, junior life sciences research olympiad, impromptu speaking, and national biology quiz competition** to stimulate and enthrall students in Biology.

In light of this, the UP Cell Biological Society would like to humbly ask your office to endorse SIHAY NBO 2025, which will take place from **March 22 - 23, 2025**. An endorsement would greatly boost our event to have better attendance. Attached herewith is the primer that contains a thorough description of the event and the organization's profile for your perusal.

We look forward to your positive response in endorsing SIHAY 2025. For further inquiries, we may be contacted through **Ms. Frizian Dylene T. Francisco** at **09456021989** or through email at **sihaynbo@gmail.com**.

Thank you very much!

Through Science and Virtue,

FRIZIAN DYLENE T. FRANCISCO
Educational Committee Head
