**Dear VP-Sec. Duterte:**

Warmest greetings from the **Philippine Public School Teachers Association (PPSTA)**!

PPSTA, our organization, is a founding member of the **ASEAN Council of Teachers (ACT)**, a formal teachers' association of ASEAN countries aimed at promoting closer relationship among teachers in the region and developing their potentials as molders of the youth. The Association is now more commonly known as the **ASEAN Council of Teachers+1 (ACT+1)** since it has admitted into the organization, the Korean Federation of Teachers' Associations (KFTA), the only non-ASEAN regular member. ACT+1 holds conventions annually with the member-organizations taking turns in the hosting thereof. ACT+1 conventions are open to all teachers who want to further improve and enrich their skills as well as knowledge of the teaching profession. For the teachers from the Philippines, they are under the facilitation of PPSTA.

In recent times, PPSTA successfully hosted the **34<sup>th</sup> ACT+1 Convention** at the **Century Park Hotel in Manila** with the theme, **"Strengthening the Hallmarks of Excellence in Education through ASEAN+1 Teachers' Integration"**. The event gained the full support of the Department with the former DepEd Secretary, Dr. Leonor Briones, formally opening the event. The following year, the convention was hosted by the Brunei Malay Teachers' Association (BMTA) in Brunei. Due to the pandemic, the council did not hold conventions for 2020 and 2021 but last year, it was revived with the Teachers' Association of the Republic of Indonesia (PGRI) effectively handling the event.

This year will be the turn of the **National Union of the Teaching Profession (NUTP) of Malaysia** to host the event which will be held on **September 15-17, 2023** at **The Everly Putrajaya** with the theme: **"Leading the Future of Education"**. Leaders of member-organizations render presentations connected with the main theme. Further, there is a social night more commonly referred to as the **"Friendship Night"** where the delegates get to socialize or interact with their colleagues in the profession not only from the country but from the member-organizations in the Southeast Asian Region and Korea. Furthermore, **Parallel Sessions** are integral parts of all ACT+1 Conventions where representatives from the member-organizations discussed sub-themes derived from the main theme. Here are the sub-themes for this year:

- Empowering Teaching and Learning Principles in line with Today's Digital Education Development
- Mock Teaching Experience for Digital Literacy
- Transforming Education Framework for Future Pedagogy Learning of Digital Education
- Empowering Smart Partnership for Future Classroom

In light of this, we come to you Madam Vice-President and DepEd Secretary to allow DepEd Teachers, Personnel and Officials who want to become part of the convention to attend the same in Putrajaya, Malaysia on the dates above-stated, on **OFFICIAL TIME**. After all, they will be attending the same for their professional development through exposure to various trends and best practices from counterpart teachers in the ASEAN regions. Ultimately, this will redound to the benefit of our learners.

Should you have questions or clarifications, please feel free to reach our Secretariat through Ms. Maria Leda Balbas-Astrologo at 8988-1404/0915-3322264 or Ms. Espie Zulueta at 0906-2065042.

For your consideration.

Thank you very much.

Very truly yours,
