Greetings of peace!

The National Organization of Science Teachers and Educators (NOSTE) is a national organization that aims to provide professional development opportunities to teachers in basic and higher education engaged in science, mathematics, and other interdisciplinary subjects related to teaching, research, and extension. NOSTE is a SEC-registered professional organization operating under SEC Registration No. CN201126182, with principal office at the College of Education, West Visayas State University, Iloilo City.

This year, the organization in partnership with Central Luzon State University, Bacolod City National High School, and West Visayas State University will be conducting **2023 International Research Conference, Training Workshops and Biennial Convention** on September 22-24, 2023 in a hybrid set-up (virtually through Zoom and face-to-face in STI West Negros University, Bacolod City, Negros Occidental). The theme of the conference is "*Science as a Tool for Teaching Numeracy and Literacy*". The conference aims to (1) explore science as a tool for teaching numeracy and literacy; (2) help teachers and educators in scientific writing and communication; (3) develop the capability of the participants in the cross-disciplinary instructional approaches for science literacy; (4) acquaint the teachers and educators with different learning resources and innovations for science and mathematics education; and (5) serve as a venue for the participants to share their research, including but not limited to multilingualism on science literacy and numeracy skills, assessment of and evaluation of literacy and numeracy skills in science education, science investigative research, action research in science and mathematics education, and among many others.

The target participants in the conference are educators in basic and higher education, administrators, researchers as well as students. With this, NOSTE kindly requests an **ENDORSEMENT/ADVISORY** from your office to encourage and invite teachers and students to participate in the conference. Enclosed is a copy of the conference primer and our SEC Registration for your reference.

Thank you very much and God bless!

## INTERNATIONAL RESEARCH CONFERENCE TRAINING WORKSHOPS, AND BIENNIAL CONVENTION

Theme: *Science as a Tool for Teaching Numeracy and Literacy*

STI West Negros University, Bacolod City, Negros Occidental  
September 22 - 24, 2023

**Host:** National Organization of Science Teachers and Educators

**Partners:** Central Luzon State University  
West Visayas State University  
Bacolod City National High School

### Objectives

The conference aims to

- (1) explore science as a tool for teaching numeracy and literacy;
- (2) help teachers and educators in scientific writing and communication;
- (3) develop the capability of the participants in the cross-disciplinary instructional approaches for science literacy;
- (4) acquaint the teachers and educators with different learning resources and innovations for science and mathematics education; and
- (5) serve as a venue for the participants to share their research, including but not limited to multilingualism on science literacy and numeracy skills, assessment of and evaluation of literacy and numeracy skills in science education, science investigative research, action research in science and mathematics education, and among many others.

### Conference Strands

- Literacy and Numeracy in STEM Fields
- Cross-Disciplinary Instructional Approaches for Science Literacy
- Scientific Writing and Communication
- Multilingualism on Science Literacy and Numeracy Skills
- Assessment and Evaluation of Literacy and Numeracy Skills in Science Education
- Science Investigative Research
- Action Research in Science and Mathematics Education
- Learning Resource and innovations for Science and Mathematics Education

## Important Dates to Remember

### Paper Submission

Open until: August 15, 2023  
250-word abstract related to the theme

### Registration

Open until August 15 for presenters  
Open until August 30 for participants

On-site Php 2,500 for HS students  
Php 4,000 for UG students  
Php 6,000 for NOSTE members  
Php 6,500 for non-members

Online Php 1,000 for HS students  
Php 1,500 for NOSTE members  
Php 2,000 for non-members, UG

### Conference Activities

Keynote & Plenary talks  
Parallel Paper presentations  
Tour, Workshops & Convention

Dear Sir:

Greetings of peace!

The National Organization of Science Teachers and Educators (NOSTE) is a national organization that aims to provide professional development opportunities to teachers in basic and higher education engaged in science, mathematics, and other interdisciplinary subjects related to teaching, research, and extension. NOSTE is a SEC-registered professional organization operating under SEC Registration No. CN201126182, with principal office at the College of Education, West Visayas State University, Iloilo City.

This year, the organization in partnership with Central Luzon State University, Bacolod City National High School, and West Visayas State University will be conducting **2023 International Research Conference, Training Workshops and Biennial Convention** on September 22-24, 2023 in a hybrid set-up (virtually through Zoom and face-to-face in STI West Negros University, Bacolod City, Negros Occidental). The theme of the conference is *"Science as a Tool for Teaching Numeracy and Literacy"*. The conference aims to (1) explore science as a tool for teaching numeracy and literacy; (2) help teachers and educators in scientific writing and communication; (3) develop the capability of the participants in the cross-disciplinary instructional approaches for science literacy; (4) acquaint the teachers and educators with different learning resources and innovations for science and mathematics education; and (5) serve as a venue for the participants to share their research, including but not limited to multilingualism on science literacy and numeracy skills, assessment of and evaluation of literacy and numeracy skills in science education, science investigative research, action research in science and mathematics education, and among many others.

The target participants in the conference are educators in basic and higher education, administrators, researchers as well as students. With this, NOSTE kindly requests an **ENDORSEMENT/ADVISORY** from your office to encourage and invite teachers and students to participate in the conference. Enclosed is a copy of the conference primer and our SEC Registration for your reference.

Thank you very much and God bless!

Sincerely yours,

  
**JAYSON T. SASOTIL**  
President
