SCHOOL-BASED SCIENCE RESEARCH PROJECT SHOWCASE/FAIR: YEAR-ENDER ACTIVITY OF SCIENCE IMPLEMENTING SCHOOLS

To: SCHOOLS DIVISION SUPERINTENDENTS

1. The role of Science and Research is to provide effective solutions to the current issues and challenges that is experienced globally today. As a way of celebrating science and ensure that the mandate of the Science Program is sustained, this Office thru the Curriculum and Learning Management Division enjoins all science program implementing schools to conduct their year-ender activity dubbed as: **School-based Science Research Project Showcase/Fair** on June 1-20, 2023.
2. The activity shall provide a venue for **STEM learners from the Bicol Regional Science High School, Legislated Science High Schools, Science Technology Engineering (STE) and Special Science Elementary Schools (SSES) to showcase their inventions/researches/investigatory projects (simple science projects for SSES pupils) conducted this school year 2022-2023** and shall be used to monitor how learners in the Special Program fared along science and research.
3. School heads of these implementing schools are requested to submit the schedule of the school-based conduct of this activity to the Division Science Supervisor for monitoring purposes. A copy of the consolidated schedule shall be emailed to scs@deped.gov.ph on or before **May 22, 2023**.
4. Division Science Supervisors shall monitor the conduct of the activity and **submit a documented report via the same email on or before July 14, 2023**.
5. Expenses related to the conduct of this activity shall be charged against local funds subject to the usual accounting and auditing rules and regulations.
6. For immediate dissemination, information and compliance of all concerned.
