Subject: Request for Permission to conduct LEAP (Local Engagement and Academic Partnership)

The University of Nueva Caceres is spearheading the **Local Engagement and Academic Partnership (LEADP)** that will take place from **October 2024 to April 2025** catering to incoming **Grade 7, Grade 11, and College Freshmen** across public schools in Bicol.

Through conducting a **20-minute Career Orientation and Open House**, UNC aims to equip student participants with invaluable career guidance and knowledge about different career paths and employment prospects. These are crucial in their transition from High School to Senior High School and Higher Education as they decide on their choices and options for their future.

We are writing to seek your permission and request your endorsement to implement this engagement. We assure your Office that the sessions will be conducted in full alignment with the Department of Education's guidelines and schedules to minimize disruption to the student's academic activities. Our team will work closely with school Principals/School Heads and Guidance Counselors to ensure that UNC complements the existing school programs.

We are enthusiastic about the potential positive impact of this initiative and look forward to the opportunity to contribute to our Bicolano students' academic success and career development. Your support will facilitate the meaningful conduct and purposeful achievement of this engagement. If you have inquiries, please feel free to contact us at 0907 1566 898 and 0956 130 1775 or send an email to admission@unc.edu.ph.
