DIR. GILBERT T. SADSAD

Regional Director
DepEd Region V
Rawis, Legazpi City

Dear Director Sadsad:

Greetings from Gokongwei Brothers Foundation (GBF)!

GBF has dedicated itself to contributing to the country's progress by providing quality education to its future workforce, particularly in the fields of Science, Technology, Engineering, and Mathematics (STEM). Its Educators' Professional Development Programs aim to uplift the quality of STEM Education of Learners through building competencies of STEM Educators.

GBF STEM Collab is an engaged community, a peer-learning platform, and a capacity-building program for STEM Educators. By being part of our community, members will have free access to the following:

- PPST-aligned webinars streamed live via our Facebook Page,
- meet-ups and synchronous open space discussions held via Zoom,
- our library of downloadable teaching resources, classroom materials, and LAC Session Guides, and
- certificates, awards, and prizes for outstanding members and paandar (games) winners.

With this, we would like to request your good office for the following:

- to disseminate information and encourage School Heads, STEM Teachers, and Club Advisers from Public and Private Elementary and Secondary Schools to join the GBF STEM Collab FB Community and attend the learning sessions,
- to endorse the GBF STEM Collab 2024 Webinars to DepEd offices under your network,
- to promote GBF STEM Collab to your constituents through your information channels, and
- to co-livestream our webinars on your official Facebook Page.

Those interested may join our community here: [GBF STEM Collab Community | Facebook](#) and register for webinars here: <https://m.me/STEMCollabBestie>.

We have attached with this letter the full description of the GBF STEM Collab Program, including our 2024 Calendar of Webinar Topics and Registration Guidelines.

Thank you so much for this opportunity to work together and build the future through education.

Walang imposible para sa bayan!

Very truly yours

I. REGISTRATION

Registration is completely FREE and open to all. Our program benefits everyone interested in education, including in-service teachers and personnel from public and private schools, school heads, college professors, and pre-service teachers.

Interested participants can become part of the GBF STEM Collab Community by:

1. Joining our Facebook group (www.facebook.com/groups/stemcollabcommunity)
2. Accomplishing the sign-up forms for our different webinar series, accessible via our official Messenger link (m.me/stemcollabbestie).

II. LEARNING ACTIVITIES AND RESOURCES

Members of the GBF STEM Collab Community, or Ka-Collabs, can participate in different learning activities available throughout the year. Regular updates are posted inside the Facebook group (www.facebook.com/groups/stemcollabcommunity)

1. Webinars
 GBF STEM Collab webinars are streamed live on the Gokongwei Brothers Foundation Facebook page (www.facebook.com/gokongweibrothersfoundation). All previous webinars are rewatchable on the said Facebook page.
2. Downloads
 Our library of learning resources is accessible on the Gokongwei Brothers Foundation website (www.gokongweibrothersfoundation.org/programs/stem-collab). These include speaker presentations, hand-outs, worksheets, classroom activities, and LAC session guides.
3. Teacher Spotlight
 Members who wish to share their own teaching strategies and experiences may be featured in our webinars.

4. e-Meet Ups

Zoom sessions are organized to facilitate deeper collaboration and socialization among members of the community. Recognition and awards are also given to outstanding Ka-Collabs.

5. Community Discussions

Ka-Collabs can share their knowledge and insights as they join the discussions in the comment sections of our videos and posts. Conversation starters and ice breaker questions are regularly posted in the Facebook group or included in the webinars.

6. *Paandars*

Ka-Collabs can participate in quizzes, contests, and raffles that are posted regularly inside the FB group. Winners will be contacted through our official channels so that they can receive their prizes.

III. CERTIFICATES, AWARDS, AND PRIZES

After watching our webinars, participants will receive their certificate via email provided the following conditions:

1. accomplishing the submission form and
2. submitting a valid requirement for that certificate.

Awarding of exemplary Ka-Collabs is done through announcements in the Facebook Group. Awardees are then given an invitation to attend the online awarding in the scheduled e-Meet Ups via Zoom. Some of the awards given are as follows:

1. Top Contributors
2. Best Submissions
3. Best Feedback
4. Best in Attendance

Paandar winners will be announced during our webinars and/or posted in the Facebook Group. They may claim prizes through sending a message to our official Messenger link (m.me/stemcollabbestie).

IV. COMMUNITY CARE

GBF STEM Collab aspires to listen to and address the concerns of our community members. This may be done via sending a message to GBF STEM Collab Bestie at our official Messenger link: m.me/stemcollabbestie.

DIR. GILBERT T. SADSAD

Regional Director
Deped Region V
Rawis, Legazpi City

Dear Director Sadsad:

Greetings from Gokongwei Brothers Foundation!

We appreciate your ongoing support and collaboration in advancing education. We would like to extend our sincere gratitude to the educators from your region who participated in the GBF STEM Collab first webinar series this year entitled "Handa, Turo: Teaching Readiness Series". Your presence and engagement greatly contributed to the success of the event. Your endorsement would greatly support our efforts in reaching a wider audience and making a more significant impact on education.

Furthermore, we are excited to invite you and your colleagues to join us again for our upcoming second webinar series entitled "**e-Ligtas: Safeguarding Digital Spaces for Teachers and Their Students**" on the following date:

March 2: How to make the internet your trusted friend
March 16: How to protect yourself and your students online
March 23: What to do when victimized online

This session promises to delve deeper into critical topics and provide valuable insights that can enrich teaching practices.

We have attached with this letter the full description of the GBF STEM Collab Program, including our 2024 Calendar of Webinar Topics and Registration Guidelines.

Thank you so much for this opportunity to work together and build the future through education.
