Dear Madam:

Greetings of peace and solidarity!

The UP Catandungan Los Baños (UPCatLB) is a varsitarian-oriented organization established in 1993 at the University of the Philippines-Los Baños. Since its establishment, the organization continues to uphold four core objectives: academic excellence, social commitment, solidarity, and human resource development. Guided by these goals, the organization aims to develop the potential of its members and serve the community at large through organizing impactful activities and initiatives.

In line with our ongoing efforts, we will be hosting free review sessions for Grades 11 and 12 students on **January 11 - 12, 2025, in Virac, followed by another on January 18 - 19, 2025, in Viga**. The event, entitled "**Get CET Go: Vol. 3**" aims to equip high school students with essential information, knowledge, and techniques to excel in college admission tests. By equipping them with the necessary resources and knowledge, we aim to empower students to confidently pursue their chosen universities and achieve their academic goals.

The event will focus on:

- giving students knowledge about the different universities and their offered courses;
- review subtests commonly found in college entrance tests (CETs);
- sharing techniques/strategies on what to do on certain topics of the exams;
- sharing tips on what to remember and how to do well on the day of the exam; and
- helping them gauge their capacity by answering a pretest and a posttest mock exam.

In this regard, we respectfully request an endorsement for senior high school students within the Division of Catanduanes to participate in the aforementioned event. For further details of the event, attached herewith is the event primer for your reference.

Should you require any additional information or wish to discuss this matter further, please feel free to contact us through our email at externals.upcatlb@gmail.com or contact the event head, **Marielle R. Valeza**, at **0908-592-7725**.

Respectfully yours,

Marielle R. Valeza
