Dear **Madam**;

Greetings of Peace!

We are pleased to inform you that data from the latest FGD and GPP functionality assessments have been analyzed, site validation at GPP beneficiary schools has been completed, and the findings are ready to be shared. Thus, we are excited to present and discuss these matters with the stakeholders, and we hope to use the insights gained to develop better strategies for improving GPP implementation and optimizing its benefits.

Having said that, may we respectfully invite the **school heads and possibly a permanent employee** (*any employee who is not susceptible to reassignment, such as administrative or utility workers*), so that someone may handle the project in the event that the school head is transferred to another school. The meeting venue is at Queen Maricel Inn, from 8 a.m. to 5 p.m., and the agenda are as follows:

- GPP Functionality Assessment Result
- FGD Result
- Validation Report
- GPP MOU
- GPP implementation scheme
- Monitoring Tools
- Other matters

We have attached the meeting schedule for your reference. Should there be questions concerning this meeting invite kindly reach **Ms. Aida A. Torres** at telephone number **0912-6974-347** or via **email at mayatorres1980@gmail.com**

Your unwavering cooperation is much appreciated.

Very truly yours,

ACE WILLIAM R. TRIA
