Schools Division Superintendent
SDO Catanduanes

Madam;

Good day!

I hope this message reaches you in excellent condition. My name is Teresa T. Buasan, and I am a Senior Education Program Specialist at the Schools Division Office (SDO) Tabaco City, currently on detailed status at the Department of Education (DepEd) Regional Office V.

I am at present conducting a research study titled "Evaluating the Impact of DepEd Region V's Continuous Improvement (CI) Project Implementation.". To ensure the success and accuracy of this study, I am reaching out to invite participants from your SDO and schools to take part in a survey.

The gathering of data from the thirteen division offices and schools has been authorized by the Office of the Regional Director of DepEd Region V through the Regional Research Committee (RRC) (see attached approved letter). The survey tool has been developed following suggestions from the regional research committee (RRC) using Microsoft 365 Forms. The survey can be accessed via the following link: <https://tinyurl.com/DepEdR5CIsurvey>.

With your permission, the URL or link for the survey and the attached pamphlet will be distributed to the expected participants to ensure the smooth deployment of the online survey instrument.

Rest assured that all information gathered will be treated with the utmost confidentiality. The research findings will be disseminated by the established rules and regulations governing research management procedures within the region.

Thank you for your invaluable help in enhancing our research initiatives.
Warm regards and continued success to you.

Very truly yours,

TERESA T. BUASAN

Sir:

Greetings!

With your approval, the undersigned is now a recipient of the Basic Education Research Fund (BERF), with a basic research proposal titled "Evaluating the Impact of DepEd Region V's Continuous Improvement (CI) Project Implementation."

Your authorization provides the undersigned the opportunity to explore the tangible effects and outcomes of CI projects. The study aims to assess the impact of CI initiatives on instructional practices and learning outcomes, leading to positive changes in the educational landscape.

Moreover, the purpose of the impact evaluation is to provide important insights that can be used to drive future policy decisions, expand educational programs, and optimize resource allocation, enabling the continuous improvement and advancement of education quality in DepEd Region V.

In this context, may the researcher be granted authorization to employ a data collection instrument to obtain feedback from both SDO and school personnel, whether directly or indirectly involved in any aspect of CI project implementation?

The online tool, crafted in line with the suggestions of the Regional Research Committee (RRC) members and using the Microsoft 365 Form, is accessible via the link: <https://tinyurl.com/DepEdR5CIsurvey>.

Rest assured that all information gathered will be handled with utmost confidentiality.
