MS. SOCORRO V. DELA ROSA
Schools Division Superintendent, CESO V

Dear Ms. Dela Rosa,

Our Science Mobile Exhibit aims to ignite curiosity and inspire young minds through interactive and immersive activities that make learning science a thrilling adventure. The exhibit provides students with hands-on experiences to enhance their understanding and appreciation of important scientific concepts. We humbly request your **advisory** for our co-curricular activities, including **Wandering Minds Space Dome Mobile Planetarium Experience**, **The Ultimate 3D Science Experience**, and our new offering, **Jurassic On Wheels and the World of AI**, following the policies and guidelines stipulated in DepEd Order No. 9, s. 2005, entitled "Instituting Measures to Increased Engaged Time-on-Task and Ensuring Compliance Therewith."

We are proud to announce that our mobile exhibit is the **first to offer AI education in mobile exhibits**, providing students with an innovative introduction to the world of artificial intelligence, discovering its fascinating history, effects, and its limitless potential.

All financial contributions to our Wandering Minds program will be purely voluntary. We are committed to providing accessible and interactive science education to all students, regardless of their financial capacity, and we assure you that we will not pressure or obligate any student or school to contribute financially to our activities.

DURATION: The program runs for approximately 2 hours per batch.

VENUE NEEDED: Space Dome Mobile Planetarium Experience, The Ultimate 3D Science Experience, and our new offering, Jurassic On Wheels and the World of AI

- One (1) well-ventilated classroom good for 50-80 students.
- One (1) well-ventilated classroom or Audio-Visual Room good for 50-80 students, we will provide the silver screen, 3d projectors, and sanitized 3d glasses.
- Electrical outlets with ample power supply
- Covered court for the Space Dome/Jurassic On Wheels and World of AI

TARGET PARTICIPANTS: We provide a program suitable for all levels: Preschool to Senior High School. We also cater College students.

Our team of experienced lecturers and staff is dedicated to delivering exceptional content that aligns with your school's educational goals and values. We will provide comprehensive support throughout the planning and execution of the exhibit to ensure a seamless and successful event.

Investing in scientific education is essential for preparing students for a future where critical thinking and problem-solving skills are paramount. Through our Science Mobile Exhibit, we aim to contribute to your school's mission of nurturing well-rounded, curious, and informed individuals.

Should you have any questions or require additional information, please feel free to contact us at the mobile number below.

Respectfully yours,

Kristel Dianne Tabangay-Bamhill and April Anne Lerit
