You don't often get email from info@pecaa.ph. Learn why this is important

Dear PECAA Seminar Registrant,

Greetings from the Philippine Executive Council of Academic Affairs (PECAA)!

We wish to inform you that the PECAA Training Seminar on AI and Academic Integrity, originally scheduled for November 19-20, 2026, at Miriam College, Quezon City, **has been postponed until further notice.**

The decision follows careful consideration of overlapping academic commitments, including ASEAN-related activities and the WURI International Research Conference, which may affect participant availability.

Rescheduling will help ensure broader participation and a more meaningful learning experience for everyone.

Please take note of the following updates:

- **New Schedule:** Revised seminar dates will be announced once finalized.
- **Registration Refunds:** Participants who have already paid their registration fees will receive a full refund.

We sincerely apologize for any inconvenience this change may cause, especially to those who have already made arrangements to attend.

We greatly appreciate your understanding and continued support for PECAA's initiatives. We look forward to welcoming you to the seminar at a later date.

Thank you very much.

Sincerely,

PECAA Secretariat
